

The Grinnell Saddle Club has been the foundation of the equine community in the Poweshiek County area for 66 years. Through those years our focus has remained on being a non-profit organization providing family oriented local horse shows as an affordable pastime for people of all ages throughout central Iowa and beyond.

With the support of our sponsors in 2018, we were able to host 6 successful horse shows including a FREE youth 4-H/FFA show to allow for practice for the local 4-H/FFA exhibitors prior to showing at their county fairs.

Sponsorships to the Grinnell Saddle Club are returned to the exhibitors at our shows in the form of cash awards or prizes, no money is used towards operating costs of the club. All sponsorships are tax deductible as we are a 501(c)(3).

Sponsorships are a great way to promote your business among hundreds of people in central Iowa and beyond. Depending on your sponsorship level, your benefits can include:

- ◆ Business name or logo printed on our showbill that reaches hundreds of people throughout the year and is distributed at our shows and online.
- ◆ Business name or logo printed on our large signs that are displayed at all of our events.
- ◆ Business name announced during our shows.
- ◆ Business name or logo advertised on our Facebook page and our website at [www.grinnellsaddleclub.com](http://www.grinnellsaddleclub.com).
